

CMIS IS MOVING HOUSE!

CMIS is about to move from Central Office in East Perth to DET's WestOne Services building in West Perth.

Do not panic! There will be no changes to the services currently offered.

Cataloguing and Evaluation will continue to operate as normal. From 27 October our new address will be:

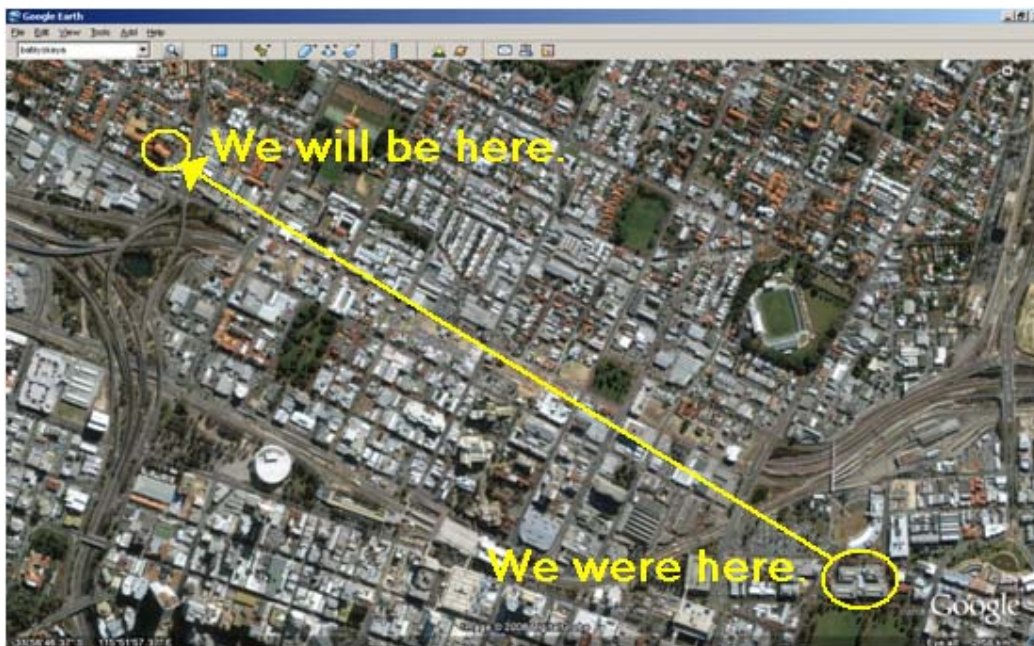

CMIS Cataloguing **or** CMIS Evaluation
WestOne Services
1 Prospect Place
WEST PERTH WA 6005

Existing telephone numbers will be redirected for a while. The new telephone numbers will be on our website when they are available. The website address www.det.wa.edu.au/education/cmis will remain the same as will the email addresses.

If you are a Primary Focus/Fiction Focus reviewer please keep sending your books and reviews to our current address until 27 October.

If possible, please delay sending resources to Cataloguing from now until 27 October. The more you send, the more we have to pack. After 27 October please use the new address. Resources sent to Central Office after 27 October will be forwarded but it will add to the turnaround time.

For those in the metro area, it is the orange roofed multi-storey building you see just to the left as you head north from the Freeway interchange onto Charles Street.
